

Preposition Review!

Write (in Hebrew letters, including vowels) what you think the following phrases would be. You can refer to your vocabulary list for the spelling of the words. Pay attention to whether or not there is a definite article ("the") in the English prompt, since that will make a difference in the vowel of the preposition.

1. Like a voice

2. In a voice

3. With the sword

4. To the sword

5. Like the serpent

6. To a serpent
